In submitting my report for the year ending January 31, 1930, would say that on the whole the past season has been favorable for the maintenance of Class 5 Highways.

We have done away with three wooden bridges in West Deering and installed metal culverts with cement headers. We have also taken up one steel culvert and re-installed it with cement headers.

A large amount of blasting has been done on ledges which becomes necessary where use of present day snow removal equipment is used.

In two instances, one at West Deering and the other on Gould Hill, have extensively torn to pieces and rebuilt roads, besides the usual maintenance of cutting bushes, drawing gravel, etc., and thank all those who assisted me.

Road Agent.

STATE BOARD OF HEALTH REPORT

The following is a report of the State Board of Health Division, Maternity, Infancy and Child Hygiene, in Deering last year:

At the Child Health Conference 22 children were examined, four of these were found free from defects and 18 with defects.

Seven defects had been corrected or placed under treatment since the last conference. Eight demonstrations of infant care were given to mothers at conference and seven placed under treatment. Two children have since then had their tonsils removed.

Home visits were made by Mary Hurley, state nurse in the county.

State Board of Health

Charles Duncan, M. D., Secretary of Board, Division of Maternity, Infancy and Child Hygiene.

Mary D. Davis, R. N., Director of Division, Children's Bureau Cooperating.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of the Deering, N. H. School District, the Report of the Superintendent of Schools for the School year 1928-1929 is hereby respectfully submitted:

The same schools were opened this year as last, but only one of them had the same teacher, and even she changed her name. Miss Margaret Grover, who taught at the North School last year was married during the summer to Mr. Chester Colburn and returned to the same school in the fall. Miss Eunice Preston, a Keene Normal graduate with one year's teaching experience, took the Manselville School. Mrs. Lyda Yeaton, who had seven years' experience, came to the East School, and Mrs. Alice Colburn, who has taught for us before, came to the West Deering school.

All four teachers had previous teaching experience, and all had the highest form of state certification. In addition to the regular teachers we engaged Miss Barbara Hatch, a Keene graduate, as Supervisor of Music, and as a result the improvement in our school music is decidedly noticeable.

Last year's teachers' payroll amounted to \$3,162 compared with \$3,675 for the present year, making an average salary for the regular teachers of \$875, which, although it is the highest average salary we have ever paid, is still about \$100 less than the state average for teachers of the same grade of schools.

Our enrollment was:

School	Boys	Girls	Total
East	9	3	12
West	4	7	11
North	4	7	11
Manselville	4	6	10
	<hr/>	<hr/>	<hr/>
Totals	21	23	44

We had exactly the same number of boys and of girls as last year, and our schools were surprisingly near the same size.

The enrollment by grades was:

Grade	Pupils	Age	Grade	Pupils	Age
1	5	5-5	5	6	10-2
2	7	7-3	6	4	10-4
3	3	9-3	7	6	12-4
4	7	10-6	8	6	12-5

The percent of attendance is slightly improved, but only slightly. For the East School it was 95%, North School 94.6%, Manselville 94.3%, and West Deering 90.8%.

For the previous two years all the names on the Roll of Honor were names of pupils in the Manselville School, but this year three of our schools were represented on that Roll, as follows:

Lauretta Cote
 Florence Johnson
 Richard Johnson
 Charles Taylor
 Stella Worth

The superintendent made 109 visits of supervision. There were 81 visits by parents and friends, and 27 by members of the School Board. We welcome parents as visitors to our school, it encourages pupils and teachers, and will result in a wider distribution of knowledge of

the work of our schools. The number of visits by parents and friends has grown less and less. In 1926-7 there were 259 such visits, during 1927-8 there were 112, and this year only 81. Parents should visit schools because schools cannot assume full responsibility for the success of the children in their school work, and by visiting schools, parents can better understand their share in the work. Criticism often comes from those who never look inside a school room, but depend upon gossip for their information. First hand information is always best. The effectiveness of our schools depends largely upon the interest parents have in them, and parents should visit schools because it stimulates the children to know that parents and teachers are pulling together.

The Community Club present for good work, deportment and attendance went to the North School. It was a book "On Wild Flowers" and was presented during the graduation exercises. The graduation exercises were held in the town hall with the following program:

Welcome	Hazel Johnson
The House with Nobody in it	Leonard Cote*
Russian Folk Dance	West Deering Girls
Wild Flowers	James Dube*
America for Me	Alvah Putnam*
Play	West Deering Girls
Song	North Deering Girls
German Play	Manselville Girls
Essay, Women Flyers	Marie Johnson*
Commencement Song	All Schools
Play	Marie Barneetz
The Humming Bird	Roscoe Putnam*
Pied Piper	Manselville School
The Rosebreasted Gross beak	John Evans*
Presentation of the Community Club Prize	
Address	Dr. William Doherty
Presentation of Diplomas	
Social Hour.	

The names of the graduates are followed by an *. This was the largest graduating class we have had for a number of years, and with the exception of only one, they all continued their education.

The outstanding features of this year's work are that all our teachers had had previous teaching experience, all had the highest form of state approval, and special instruction in music was furnished in all our schools by a graduate of the Music Course of the Keene Normal school.

Respectfully submitted,

A. A. HOLDEN
